Congratulations! It is a pleasure to inform you that you have been recognised for inclusion on the '**Dean's List for Outstanding Academic Performance**' from Kent Institute Australia (Kent). This recognition is awarded to Kent students who achieve at least three (3) distinctions (and no lower than Credit in their other unit) each Trimester.

This Award is based on your Trimester 1 2022 Grades that are listed below.

Data Communication and Networking	D

In recognition of your achievement Kent has listed your name on the Kent Website as a '**Dean's List for Outstanding Academic Performance**' recipient for Trimester 1 2022 which you can view at (<https://kent.edu.au/kent3/student-academic-performance-awards/>) and you have this letter to include in your curriculum vitae compendium. Kent encourages you to take a moment and explore Kent's website as it provides comprehensive information on government regulations and other resources to help you navigate issues that are most common to international students.

Best wishes for a successful and productive year ahead.

Yours sincerely,
